

## Our Creative

Make a short video clip with the theme -

**'How I am Creative'.**

It could show you doing whatever it is that you love to do and it could be absolutely anything from creating with Lego, baking, drawing, painting, making crafts, designing, inventing characters, writing, dancing, telling a joke, drama, singing, playing music, gardening, playing sports, experimenting with science, **the sky is the limit!**

If you like you could make it in the style of a you-tube teaching video - showing how to do a certain task

We could then show these the younger classes and they can then learn how to make something or draw something or do an experiment, do a dance, do a sporting skill.

Videos can be emailed to your teacher or sent to [ms.braithwaite@kilglassgalway.com](mailto:ms.braithwaite@kilglassgalway.com)

**Closing Date Friday 17<sup>th</sup> December.**

**Have fun!**
